Use of Unauthorised Canister Systems with the Laerdal Suction Unit

Only canister systems that are approved, tested or verified by Laerdal can be used in combination with the LSU. Please see the Laerdal website or LSU Directions For Use for further details.

All use of unapproved canister systems in combination with the LSU are made at the customer's own risk.

Customers wishing to use unapproved canister systems should be aware of the following two Laerdal statements:

LSU Directions For Use: Caution and Warnings

"Use only accessories supplied by Laerdal or one of our authorised distributors to ensure that the LSU operates satisfactorily"

Laerdal Global Warranty: Conditions

"This warranty will not reimburse nor cover the damage resulting from adaptations or adjustments which may be made to the product, without the prior written consent of Laerdal Medical, in order to conform to the national or local technical or safety standards in force in any country other than the ones for which the product was originally designed and manufactured."

The LSU five year warranty is also not covered by:

"Any adaptation or changes to upgrade the product from its normal purpose as described in the Direction for Use, without the prior written consent of Laerdal Medical."

Yours sincerely,
